

Addendum to 2009 Canada Games team selection Criteria
Published December 7, 2008

In the Bicycle Nova Scotia 2009 Canada Summer Games Cycling Team Selection Criteria published April 13, 2008 the following lines shall be omitted:

- All athletes must attend at least 2 selection races in Nova Scotia (One Road, One Mtn)
- All athletes must attend a minimal of 4 races (2 exemption+ 2 selections; 1 exemption + 3 selection or 4 selection races for consideration to the team.)

These two selection criteria shall be replaced with the following criteria:

All athletes must attend a minimum of 2 selection races in Nova Scotia, an athletes best 4 results from selection and exemption races will be used to calculate their final score for the team. An athlete can count a maximum of 2 Exemption races towards their point's total. Selection and Exemption races are defined in this document.

All racers must race at the highest level during selection events. Road Senior 123/open women and for mountain Open men/ women

Training camps and selection events for spring 2009 dates will be published in a separated document. Athletes will need to show commitment to sport by attendance of camps and selection events, improvement in testing, and to meet selected time standards for specific disciplines. Time standards will be published with the Training camp and selection event schedule for spring 2009
